Payments

Just a reminder that we have different payment options for classes.

It's a good idea to consider how many classes you would like to do, and to pick a payment option that suits. It could save you some money.

Per lesson - \$10
Per Week - \$60
Per Month - \$200

The weekly and monthly options include unlimited classes for that time period 😊

Previously...

- Uniforms have been ordered. We will let everyone know once delivered.
- September Freeskate camp was a success. The girls had an awesome time and learned so much.
- We held the first free Learn To Skate session on 2nd October and it was a great time. Many new faces came to give skating a go. Special shout out to Lucy, Rachel and Noodle who were the best helpers on the day.
